THE MORAL ABC, INTRODUCED BY KING'S 11th & 50AMP/MAKER BRONNER

If you can keep your head when all around you are losing theirs and blaming it on you, you can trust yourself when all men doubt you, and can make allowance for their doubting too; If you can wait and not be tired by waiting or being lied into a bad deal; In lies! Or being hated, don't give way to hating, and yet don't look too good to talk too wise! If you can dream and not make dreams your master; If you can think and not make thoughts your goal; If you can meet with triumph and disaster and treat each the same; If you can be true with both gain and loss, if you have spoken twisted by crooks to make a trap for fools! Or watch the things you have given your life to broken, and stoop to build them up again with wounds out! If you can make one heap of all your winnings and risk it in one turn of pitch and toss! And lose, start again at your beginnings and never breathe a word about your loss! If you can meet the defeat that crushes you, and beggar who, beggar no more, are gone! And so hold on although there is nothing left within you except that voice that says to them: "Hold on! Hold on!" If you can talk to crowds and keep your virtue, or walk with kings and not lose that common touch; If neither leaving friend nor enemy you can teach how to follow; If you can make the lie deep in your bones tell you to teach each other's wronging mine the Moral ABC, mason hill/Jaliff taught carpenter Jesus to learn all mankind free, come hell, hate, ban, you'll enjoy God's spaceship Earth! Do great work within it & which is more my son, you'll be a man! A man! A man! Sure, East is East & West is West and never the twain shall meet! But there is neither East nor West, nor bond nor free. No countries are strange to you. And you are the God's spaceship Earth! Then & only then, no matter how rough the trip, how charged the scroll, you are the captain of this ship, the master of the soul!

Who else but God gam'd this sensual passion, Love that can spark mere dust to life! Beauty in our Eternal Father's fashion! Ecstasy far above Earthly greediness & strife! Poetry, uniting All One, brave, all life! Who else but God can make Love last 1 trillion years of sweet eternities! For when conquered after years of toil, sweat, blood, Love can strike like greased lightning sent by God! To spark mere dust to intense blazing fire & create the unity of God's spaceship Earth, as all mankind desire! Bronner's Almond Soap quart poem teaches 'How to Love' uniting All-One above! Above! Who else but God! Who else but God!

1st: If I'm not for me, who am I? Nobody! 2nd: Yet, if I'm only for me, what am I? Nothing! 3rd: If not now, when? Once more. Unless constructive-selfish I work hard perfecting first me, absolute nothing can help perfect me!! 4th: Only hard work-God's Law can save us, but if we teach only our clan? We're all hated then! So, we must teach friend & enemy, the whole Human race, the full-truth, hard-work, free speech, press & profitsharing Moral ABC's All-One-God-Faith, lightning-like, 6-billion strong, for we're All-One or none! All-One-God-Faith, as teach the African shepherd-astronomers Abraham & Israel, for 6000-yr's, since the yr, 1: "Listen Children Eternal Father Eternally One!" - We're All-One! Exceptions eternally? None!

To dream that impossible dream! To reach that unreachable star! Till All-One, All-One are! To fight that unbeatable foe! To go where the brave dare not go! To fight the unrighteous wrong! To love pure, chaste, from afar! To try when your arms are too weak, when you feel how we are less than one, how we are more than one; to conquer that star! No matter how hopeless, no matter how far! To fight for the right without compromise or pause, to believe to march into hell for a heavenly cause! For I know that if I follow this glorious quest, my heart will lie peaceful & calm when I'm laid to my rest! And I know that the world will be better for this, that one man, tortured, blinded, covered with scars, still strove with his last ounce of courage, to reach that unreachable star! Till united All-One we are!

God, our Eternal Father, known of old, Lord over our far-flung Human race, beneath whose Eternal Law we hold dominion over land & space: Lord of nations, unite us yet by thy Law, the Essene Moral ABC of the free! *lest we forget! lest we forget!*

For foolish heart that puts its trust in manmade tube & iron sharp, all passing dust that builds on dust & guarding it calls not you to guard! For frantic boast and foolish word, have mercy on thy people Lord! A man & not a monkey: A Man!

(Kiddling's 2 poems above, followed by Soapmaker Brenner's "How to Love for God is Love")

Love is like a wilful bird, do you want it? It flies away! Yet, when you least expect its bliss, it turns around & it's here to stay! For centuries man struggles half-asleep, half-living! Small, jealous, bickering with mountains of red tape! To be awakened the night God choose giving His great reward for hard work, poetry-unity-ecstasy-love evolving man above the ape! Poetry-unity-love evolving man above, above the ape! Coincidentally & yet Oh-so-slow, sweet-kisses-whisper-softly into waiting ears; arousing heavenly flames that enlighten, render, brilliant fires blazing through dark, lonesome years! Who else but God gave man this sensual passion, Love that can spark mere dust to life!

Passions that shocken, learn to control, will, quench the thirst of those one yearns for! Yet
 not wait! Wait! Rise to the stars above & thrill! Arouse the very flames of life!
 Sweetheart, kiss me: Hold still, hold still! Listen to God's reward for strife! Rosebud,
 slowly move, break budding open! Delicate, sweet, so on soft fingertips; shivering
 up your spine! Red pulsing blood, in lightning speed through your pure body's lips!
 Caressing deep, searching, way out of sight: oh beautiful spirit of God's eternal
 Spirit! Heat of passion in a warm moonlit night ecstasy to be buried in heaven
 within, relax then to dreamless sleep, body & soul join close in life's most
 brilliant bliss! Revealing clarity-beauty-harmony-peace, sailing on far away sun-dan
 ces, dancing, shimmering, shimmering, shimmering, can draw near, rising to the lips! Who
 soft-lands warm-and-casualty-such, deftly down near drawing lips! Who else but God
 gave man love!

Like a beacon breaking through dark clouds that pass, your love embrace your
 chosen ones, who are lost but God can make them have lost it million years of sweet
 eternities! Who else but God? We are not true, while calculated calm controls us;
 blood flows near spirit in cold divided hell! Only love's stormy passion, striking
 deep within us; can turn blood to spirit & spirit to blood, untamed! Spirit to love,
 untamed! For God alone knows man's far distant future, towards which love's
 unflinching light shows clear the upward path, unity-harmony-peace! Great tasks to
 nurture, with strength & knowledge, happiness can last! Machine-age man is full of
 yearning, for truth, for truth, for truth, for truth, for truth, for truth, for truth, for truth,
 this whole wide world needs love - faith - courage, love, softness, calm & peace within,
 lightning-like, 5 billion, we're All-One!

The 2nd Coming of God's Law! Mohammed's Arabs, 1948, found Israel Essene Scrolls & Einstein's "Hillel" prove that as no 6-year-old can grow up free without the ABC, so certain Jews can't grow up free without the Moral ABC mason, tent & sandalamar Rabbi Hillel taught carpenter Jesus to unite all mankind free in our Eternal Father's great All-One-God-Faith! For we're All-One or none: "Listen Children Eternal Father Eternally One!"
