Please note that Cosmetic Notification (and the assignment of CNF file numbers) is not a product evaluation or approval procedure. Acceptance of the completed form by Health Canada does not constitute, in any way, agreement that the products are in compliance with all regulatory requirements. You may be contacted by the representative of Health Canada if further information is required in the future. This letter is not to be taken as authorization of your products nor should it be represented as such. The manufacturer has the responsibility of

ensuring that a cosmetic meets the requirements of the *Food and Drugs Act* and its Cosmetic Regulations as well as the *Consumer Packaging and Labelling Act* and Regulations.

Sincerely,

Suka Sothi
