

# Glove Sizing Information

To find your glove size, measure (in inches) around your knuckles with a tape measure, this is shown in the diagram below. You should use your dominant hand, the right if you are right-handed, and the left if you are left-handed.

Use the chart to determine your proper glove size.

Mens Sizes		Ladies Sizes		Unisex Sizes	
Small	7.5"-8"	Small	6"	Small	7"
Medium	8.5"-9"	Medium	7"	Medium	8"
Large	9.5"-10"	Large	7.5"	Large	9"
XLarge	10.5"-11"	XLarge	8"	XLarge	10"
XXLarge	11"+				

If you don't have measuring tape but have a ruler, wrap a string around your hand, then measure that with the ruler to find your size.
