Return Reminder:

The Warranty is in effect for six months after the date of purchase on the receipt.

The Warranty is obsolete. The following is not covered in Warranty: if the defect was brought on by one's (owner of the device) own fault or caused by either dropping on the floor, water damage, using wrong cleaning equipment or agents.

In case of a non-warranty repair, an estimate will be sent to you (owner of the device). You will then provide the pre-payment .

As soon as the payment is received, the device will be repaired and returned to you.
